IXSEA LLC opens its doors in Dubai

There's further expansion for IXSEA as it opens a new office in Dubai, United Arab Emirates.

IXSEA LLC will support the offshore industry in the entire Middle-East region from Egypt to Azerbaijan.

"While IXSEA has been present in Dubai for the past three years, the opening of a new office underlines our commitment to our customers in the Middle-East region," said Jean-Marc Binois, Area Sales Manager, IXSEA.

IXSEA's address in Dubai:
Gulf Business Center
Sheikh Zayed Road
P.O. BOX 62425 Dubai
United Arab Emirates
Tel. +971 4 3117135
Fax +971 4 3328860

About IXSEA

IXSEA designs, manufactures and markets navigation and positioning systems based on its state of the art fiber optic gyroscope technology, along with a complete range of seafloor mapping solutions.

To sail. To sound. To analyze.
